WET WEATHER POLICY

In the event of poor weather, a lesson maybe cancelled. We aim to always keep this to a minimum and only cancel if rain is persistent and heavy or the courts are unsafe due to ice or snow. The courts drain well so we can usually play in rainy conditions where possible. All players should come equipped with a wet weather coat so please do check the forecast before the session or camp.

If we deem it unfit for play then parents/ players will be sent a message through the WhatsApp group or direct to their number. Please ensure you check your phone and the WhatsApp group for updates. We aim to put on as many lessons as we can and sometimes it is difficult to predict the weather even with paying close attention to the weather forecast,

Every term we have one session built in for bad weather. If we must cancel more than one of the same session, we will look to run a make up session usually within a school holidays where possible.
